TERMS:

All horses must be paid for in US Funds. Purchased horses must be paid for before or immediately at the conclusion of the National Sale on April 26, 2025. Credit card payments (Visa or MasterCard only) will be accepted with the agreement that a 4% service charge will be added. Parties unknown to the National Sale must bring cash, credit or a certified check.

The auctioneer reserves the right to reject any and all bids. Transfers and pedigrees for all horses will be furnished to the buyer, with the exception of grade horses that do not have a pedigree number appearing after their name. These horses are not papered. Sellers will pay the transfer fee. Phone bids are only accepted if pre-approved with the Clydesdale Office, with client providing their own agent for conducting the phone bid procedure. Buyers exporting horses to Canada will be charged $200 per horse for health papers.

The National Sale Committee reserves the right to reject any horse deemed unsuitable to go through the sale ring. All horses entered in the National Clydesdale Sale will go through the sale ring. No Exceptions. Registration papers will be checked against the specific animal entered in the sale. If there is a discrepancy found on the said papers, the problem animal entered in the sale must be addressed before the horse will be allowed to sell. No entry fee is required on foals selling with their dams, but completed and signed registration applications are required on those foals.

A good lead strap and halter will be provided by the seller and will go with the horse when sold. If an unacceptable halter and rope is left with the horse, the National Sale Committee will buy a new halter and lead rope, and that said amount will be deducted from the consignor's check. Shoes on a horse when sold are property of the buyer and must not be removed or changed. Pedigrees will not be transferred until payment for horses has cleared. Returned checks will be subject to a $50 fee and buyers will have 5 days to provide payment in full, after which time CBUSA or Auctioneer will pursue further action.

TACK SALE:

Tack purchased from the tack sale will be subject to the following commissions, which will be deducted from the seller's proceeds. 20% for items less than $500. 10% for items selling between $500 - $3000. 5% for items greater than $3000. The tax on the

items sold during the tack sale is 7.25% and will be charged to the buyer. Tax exempt buyers must present an exempt certificate at the time of the settlement to avoid sales tax. All tack must be checked in by 8 am Thursday, April 24, 2025.

BUYER REQUIREMENTS:

Buyers at the 2025 National Clydesdale Sale shall be required to be a member of either the Clydesdale Breeders of USA, Clydesdale Horse Association of Canada, American Shire Horse Association of Canadian Shire Horse Association. Potential buyers who are not members of the listed associations shall be required to become a temporary member for the CBUSA for a fee of $10, this includes a 1-month temporary membership with all member privileges excluding voting rights. Alternatively, lifetime memberships are also available to all non-members and will be discounted during the sale for a fee of $100 (normal price $200). The Clydesdale Breeder's of USA expressly condemns and does not condone purchasing any consignment for the purpose of resale for slaughter or kill pen buyers. Buyers purchasing horses at the 2025 National Clydesdale Sale shall be required to sign an agreement stating that any horses purchased at the sale shall not be resold for slaughter directly or indirectly.

COMMISSION:

The sale commissions are 6% for every consigner. Commission will be deducted from the consignor's payment.

NO SALE:

Commissions on a no-sale horse is the qualifying rate (per above referenced commission rate schedule) of the last bid. Consignor shall declare on the fall of the auctioneer's gavel if the horse is to be a NO SALE.

WARRANTIES & GUARANTEES:

Statements regarding soundness, breeding, dates, etc., will be made from the auction-block. Such information as breeding background, show winnings, production records of mares and any other pertinent information is important. This information should be made available to the sale office at check in time and will be used during the mandatory preview. The buyer assumes full ownership of the horse with the fall of the auctioneer's gavel and full responsibility for the care and maintenance of the said horse from that point forward. No statement of warranty of the seller can be challenged. The seller is responsible for their own guarantee. Each consignor of the sale will make what guarantee they care to give on the horse(s) and will be totally responsible for that guarantee. These guarantees will be announced at the time the horse(s) is/are placed for sale. All bred mares must be vet checked and certified in foal by a veterinarian within 30 days of the sale. Breeding information will be announced if a

National Clydesdale Sale breeding form is filed in the sale office. Mares will not be sold as being in foal if they do not have the veterinarian certificate.

LIABILITY:

Everyone is cautioned to exercise care while attending the sale. All persons entering the premises during the time of the sale will do so at their own risk. The Clydesdale Breeder's of the USA and all members of the National Sale Committee shall not be liable for any injury sustained by anyone attending the sale. The Clydesdale Breeder's of USA and the National Clydesdale Sale Committee shall not be liable for any cause of action of any kind or nature arising from the sale of said horses.

HEALTH PAPER REQUIREMENTS:

They must be signed and dated by a licensed veterinarian. They also must completely be filled out as far as breed, color, age, complete pedigree, name of horse, etc. Please have your veterinarian fill out an interstate health paper for each individual horse. Faxed copies or photocopies are not acceptable. All Coggins must be original. Coggins papers are not required on foals that are nursing and under five months of age. Foals do however need their own health papers. Each horse must have an individual and updated Coggins test papers (with blood drawn after 1/1/2025). We will have a federal veterinarian available Saturday April 26, 2025 to do paperwork on those horses that will be going to Canada. Piper Grace is a stunningly beautiful large bay mare with four whites and a blaze face. She has been shown successfully in halter and is also broke to ride in both English and Western (her dam Belleau W.S. Serena was Clydesdale World Champion in both English and Western in the same year at the Indiana State Fair). She has been started in harness and has the flexibility to be an excellent hitch horse as well. She stands 17.3 hands and has plenty of feather and will stand to be clipped without a halter. She was born and raised on our farm and is a barn favorite, we absolutely love her!! Please contact Craig Bidner at 314-541-0135 or via e-mail at craigbidner@nikcosports.com if you have any questions. She will be fitted by Jonas Helmuth.

Canwest Supreme is a two-time All-Canadian who had a very successful 2024 show season. Recent wins include Senior Champion at the US National Show and Grand Champion at Boone County Fair this past summer. His sire and dam have had highly decorated show careers of their own, Jackton's Ronnie is the current World Champion Clydesdale Stallion. Supreme has great feet and legs, good length of neck and excellent movement at both ends. We have teased mares with him but not bred any, already have two senior stallions including his sire being used on the farm. Pedigree of this stud would suggest he could be a useful breeding horse. Green broke to drive, Supreme could be an exciting entry for the Stallion Cart Class at the upcoming World Show in Springfield.
